Discussion ensued. The Board expressed concern that the following items be addressed:

1. A cost estimate of the County's cost will be needed to apply for other funding.
2. On page 8 the words lower keys should be removed.
3. On page 12 under (13) Key Largo Sewer System should say North Component Sewer System.
4. On page 32 the paragraph that starts with "The proceeds of insurance" has Key Largo Sewer System in it three times and it should say North Component Sewer System.
5. In Appendix B, 3A clarification needs to be made so that there is no doubt that the District's administrative costs are included and eligible for reimbursement.

Motion: Commissioner Bullock made a motion to approve the Draft Inter-Local Agreement with the following changes: §§ 3.02(13) and 8.02, the references to the Key Largo Sewer System should be to the North Components, clarification in Appendix B, 3 A, to include District administrative cost. Commissioner Patton seconded the motion.
