COMMISSIONER'S ITEMS

Protocol to Cancel Meetings (Commissioner Majeska)

Commissioner Majeska requested that General Counsel Ray Giglio give an opinion on the proper protocol that should be followed when the Board wishes to cancel a regularly scheduled meeting. Mr. Giglio advised the Board that since the Board formally approved and published the schedule of BOC meetings, it would appear that Board action is required to cancel a scheduled meeting. He acknowledged that one possible solution might be for the Board to authorize the Chairman or the General Manager to cancel meetings when there was nothing of importance on the agenda. However, he expressed a concern about how the public would be given proper notice of such a cancellation and about whether the discussions that would take place prior to the cancellation of such a meeting could possibly stray into dangerous territory, in light of the Sunshine Law's prohibition against Board members privately discussing substantive matters that might foreseeably come before that board for action.

The Board directed Mr. Giglio to research whether the Board can authorize the Chairman or the General Manager to cancel scheduled meetings.

Legislation Change for Commissioner's Pay (Commissioner Majeska)

Commissioner Majeska asked that the Board further consider changing the legislation governing how commissioners are paid changing to a monthly pay schedule rather than per meeting. The Board requested that this item be added to a future meeting for discussion.

BUDGET AND FINANCE REPORT

District's Banking Services

Public Comment: Ms. Sue Heim suggested to the Board that the District should receive more banking proposals to be more informed.

Finance Manager Connie Fazio presented a memo to the Board outlining a proposal from Centennial Bank. Mr. Paul Christian informed the Board that the District would earn actual interest revenue in place of the current earnings credit allowance which is only usable by the District to offset fees. Mr. Christian further informed the Board that staff will bring this item back at a future meeting. Staff and Centennial Bank Representative Stephanie Scuderi answered questions from the Board.

ROUNDTABLE DISCUSSION

Commissioner's Duties (Commissioner Gibbs)

Commissioner Gibbs withdrew this item.

Roundtable

Commissioner Majeska requested that Mr. Paul Christian comment on Dennis Caltagirone's suggestion that the funding or artwork for the Rep. Ken Sorensen memorial be donated to the District by the community. Mr. Paul Christian stated the he would like direction from the Board as

to the type of memorial that the Board would like to display and informed the Board that he would like the dedication ceremony to be held in May 2016.

Mr. Christian further advised the Board that the District should avoid receiving "donated funds" from the public for this project.
