RE: System Impact Charge: Snapper's Restaurant Addition,
139 Seaside Ave, AK No.1608505

Please be advised that the Key Largo Wastewater Treatment District's ("District") Board of Commissioners ("Board") will consider imposing a System Impact Charge ("SIC") for the above-referenced parcel at its regularly scheduled meeting on April 2, 2024.

The SIC is a charge to customers who construct facilities that impose a potential increased demand on the District's wastewater facilities. The SIC is the sum of the System Development Charge ("SDC") plus any additional direct or indirect fees incurred by the District to extend service to your parcel.

Your design plans indicate your proposed project will result in an increased demand on the District wastewater facilities.

If approved by the Board, the following changes will be made to your account:

EDU Assignment: Your parcel's EDU assignment, which is used to calculate the SIC and wastewater base charge, will be increased from 18.8 EDUs to 30.3 EDUs. See Attachment for calculations.

Additional Fees: Currently there are no additional fees. Weiler Engineering confirmed the buffer tank currently serving the property can support the additional 11.5 EDUs.

Total SIC Charge: \$49,519.00. Payment is due in full at the time of imposition (Board approval.) See Attachment for calculations.

Wastewater Base Charge: The wastewater base charge, billed monthly by the Florida Keys Aqueduct Authority ("FKAA"), will be increased from \$75.95 to \$244.17. See Attachment for calculations.

You have a right to appear at the meeting, present evidence, and have witnesses testify on your behalf. If you choose to appear or present evidence, please notify the District Clerk (at 305-451-4019 ext. 210 or Shannon.McCully@klwtd.com). You may submit any documents you would like the Board to consider no later than 15 calendar days from the date of this notice.

Sincerely,

By:

EDU Assignment: KLWTD Rules and Regulations provide that each non-residential tax parcel shall be assigned 1 EDU for 167 gallons per day (GPD). The District estimates water usage from the additional structure to be 1,920 GPD for a total of 11.5 EDUs.

Previous System Development Charges: Your property was previously assigned 34.7 EDUs for a total SDC assessment of \$104,615.00. During 2012, a request to review the EDU Assignment was initiated by the previous owner. The consumption review determined 18.8 EDUs of actual usage. The District applied a credit to the SDC in the amount of \$46,905.00 to the overall balance. The SDC has been reduced by previous payments in the amount of \$57,710.00 leaving a remaining assessment balance due of \$11,495.92. You may opt to pay that balance in full or continue making annual payments on the Annual Tax Bill from Monroe County Tax Collector.

SIC Calculation

EDU Increase (30.3 EDUs – 18.8 EDU)	11.5 EDUs
Total SDC Increase Charge (\$4,306.00 per EDU x 11.5 EDUs)	\$49,519.00
Engineering Costs	\$0.00
Construction Costs	\$0.00
SIC Payment Deposited 03/14/2024	\$49,519.00
Total SIC Charge Due	\$0.00

Wastewater Base Charge: The District collects a monthly base charge at the rate of \$27.13 per EDU (x 30.3 EDUs) for a total of \$822.03.

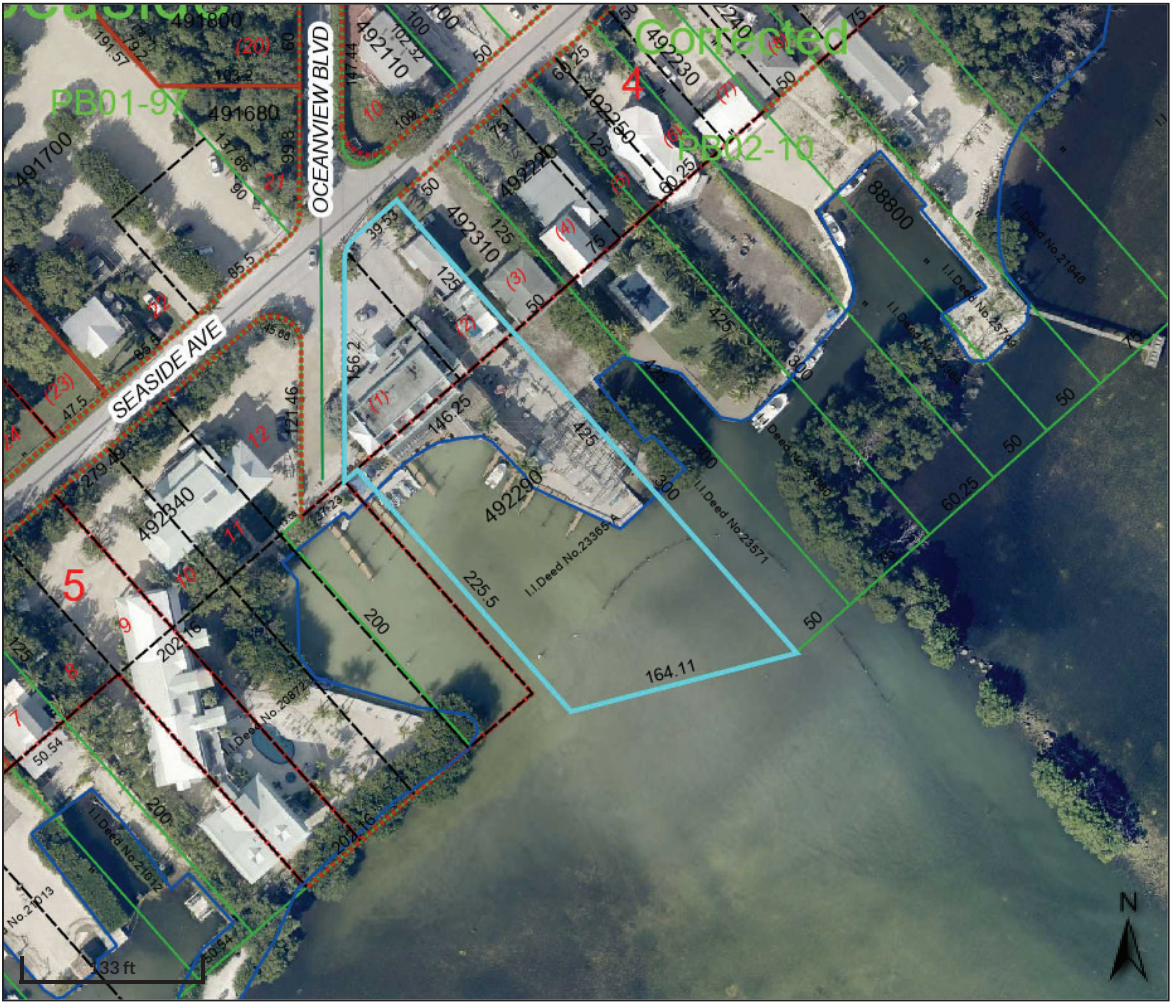

This charge does not include the monthly volumetric charge (\$4.26 per 1,000 gallons of water consumed.)

Note, meters coded as Fire or Irrigation are not charged for wastewater.

If no building on the premises is capable of generating wastewater, you may apply for a temporary deferral of wastewater monthly billing. Upon General Manager approval, such deferral shall expire the earlier of: 1. Issuance of a certificate of occupancy (C.O.), 2. Date the structure connects to the central wastewater system, or 3. Sixty (60) calendar Days.

A RESOLUTION OF THE KEY LARGO WASTEWATER TREATMENT DISTRICT (“THE DISTRICT”) IMPOSING A SYSTEM IMPACT CHARGE (“SIC”) FOR THE PROPERTY LOCATED AT 5 HOMESTEAD AVE, KEY LARGO, FLORIDA, WITH PARCEL IDENTIFICATION NUMBER 00453410-000000; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Wesley House Family Services Inc, is the owner of real property located at 5 Homestead Ave, Key Largo, Florida, with Parcel Identification Number 00453410-000000: The property is legally described in Exhibit “A” attached hereto and made a part hereof by reference (“the Subject Tax Parcel”); and

WHEREAS, upon review of Wesley House Family Services development on the Subject Tax Parcel, District staff has determined that it will increase the demand on the District’s wastewater facilities; and

WHEREAS, the District’s Rules and Regulations, Article X, Section 10.01(c), provide that an SIC shall be imposed on new customers and existing customers who modify, add or construct facilities that impose a potential increased demand on the District’s wastewater facilities; and

WHEREAS, staff has recommended that the District’s Board of Commissioners (“the Board”) adopt a Resolution imposing an SIC on the Subject Tax Parcel; and

WHEREAS, the Board has considered the staff’s recommendation at a regularly scheduled meeting of the Board held April 2, 2024

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE KEY LARGO WASTEWATER TREATMENT DISTRICT THAT:

Section 1. *Recitals.* The above recitals are true and correct and incorporated into this Resolution by reference.

Section 2. *System Impact Charge.* The Board finds that there is good and sufficient cause to impose an SIC in the amount of \$94,744.25

Section 3. *EDU Increase.* The wastewater base charge will be calculated based on 9.0 EDUs.

Section 4. *Effective Date.* This Resolution shall be effective upon adoption by the Board.

Section 5. *Implementation.* The General Manager and/or his designee is authorized to take all actions necessary to implement the terms of this Resolution.

The foregoing Resolution was offered by Commissioner _____, who moved for its approval. The motion was seconded by Commissioner _____, and being put to a vote, the result was as follows:

RE: System Impact Charge: Wesley House Family Services Project,
5 Homestead Ave.

Please be advised that the Key Largo Wastewater Treatment District's ("District") Board of Commissioners ("Board") will consider imposing a System Impact Charge ("SIC") for the above-referenced parcel at its regularly scheduled meeting on April 2, 2024.

The SIC is a charge to customers who construct facilities that impose a potential increased demand on the District's wastewater facilities. The SIC is the sum of the System Development Charge ("SDC") plus any additional direct or indirect fees incurred by the District to extend service to your parcel.

Your design plans indicate your proposed project will result in an increased demand on the District wastewater facilities.

If approved by the Board, the following changes will be made to your account:

EDU Assignment: Your parcel's EDU assignment, which is used to calculate the SIC and wastewater base charge, will be increased from 2.8 EDUs to 9.0 EDUs. See Attachment for calculations.

Additional Fees: The Key Largo Wastewater Treatment District will install a force main point of connection for the subject tax parcel. At the February 5, 2024 Board meeting, the KLWTD Board of Commissioners approved Page Excavating's bid of \$53,300 to install the connection.

Total SIC Charge: \$94,744.25. Payment is due in full at the time of imposition (Board approval.) See Attachment for calculations.

Wastewater Base Charge: The wastewater base charge, billed monthly by the Florida Keys Aqueduct Authority ("FKAA"), will be increased from \$75.95 to \$244.17. See Attachment for calculations.

You have a right to appear at the meeting, present evidence, and have witnesses testify on your behalf. If you choose to appear or present evidence, please notify the District Clerk (at 305-451-4019 ext. 210 or Shannon.McCully@klwtd.com). You may submit any documents you would like the Board to consider no later than 15 calendar days from the date of this notice.

Sincerely,

By: _____

ATTACHMENT

EDU Assignment: KLWTD Rules and Regulations provide that each dwelling unit shall be assigned 1 EDU for 167 gallons per day (GPD). The District estimates water usage after the remodel and addition to the property to be 1,497 GPD for a total of 9.0 EDU's.

Previous System Development Charges: Your property was previously assigned 2.8 EDUs for a total SDC assessment of \$10,510.00 which is reduced by previous payments of \$9,621.34 leaving a remaining assessment balance due of \$888.66. You may opt to pay that balance in full or continue making annual payments on the Annual Tax Bill from Monroe County Tax Collector.

SIC Calculation

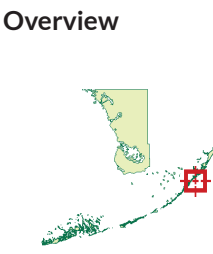

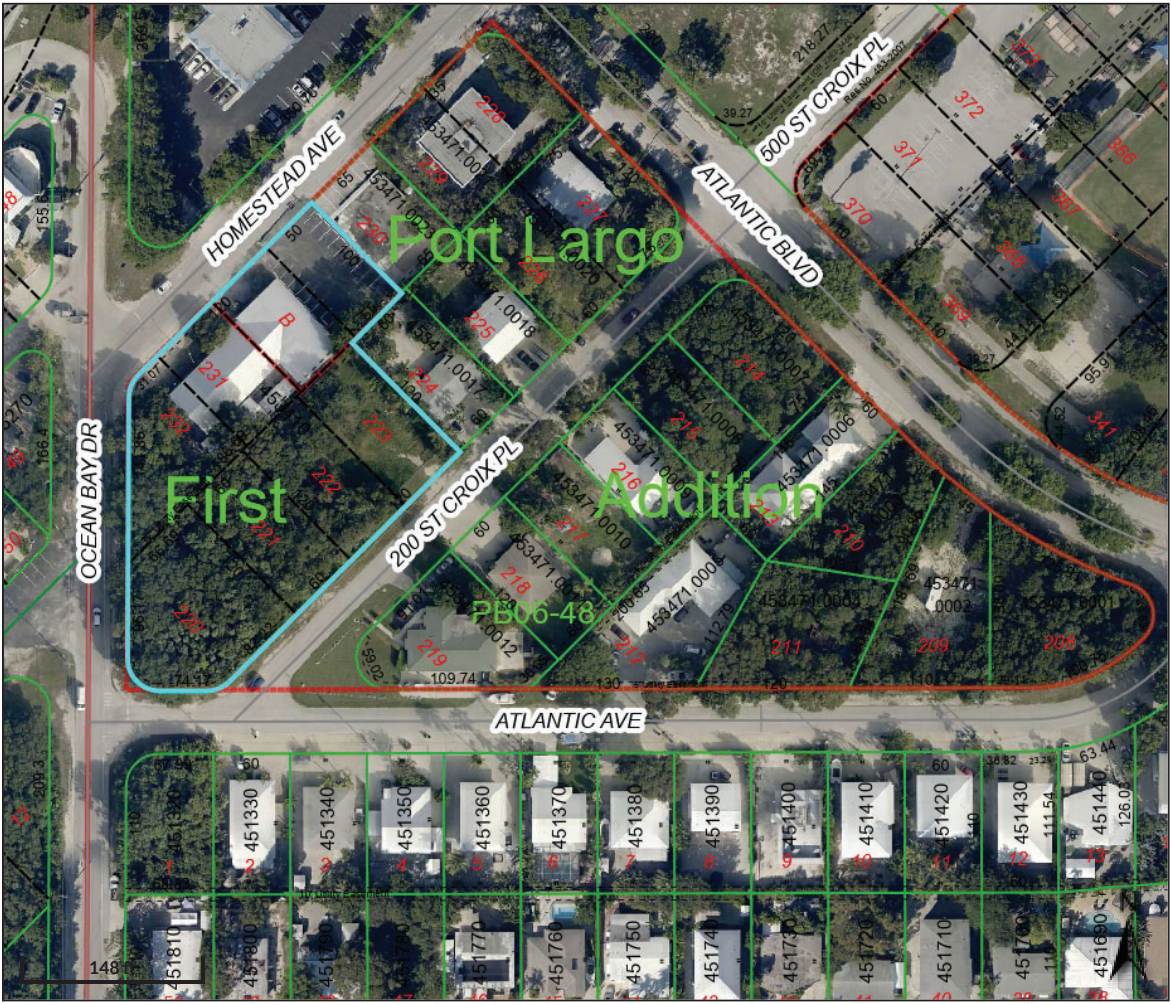

EDU Increase (9.0 EDUs – 2.8 EDU)	6.2 EDUs
Total SDC Increase Charge (\$4,190.00 per EDU x 6.2 EDUs)	\$25,978.00
Engineering Costs	\$15,466.25
Construction Costs	\$53,300.00
Total SIC Charge	\$94,744.25

Wastewater Base Charge: The District collects a monthly base charge at the rate of \$27.13 per EDU (x 9.0 EDUs) for a total of \$244.17.

This charge does not include the monthly volumetric charge (\$4.26 per 1,000 gallons of water consumed.)

Note, meters coded as Fire or Irrigation are not charged for wastewater.

If no building on the premises is capable of generating wastewater, you may apply for a temporary deferral of wastewater monthly billing. Upon General Manager approval, such deferral shall expire the earlier of: 1. Issuance of a certificate of occupancy (C.O.), 2. Date the structure connects to the central wastewater system, or 3. Sixty (60) calendar Days.
