Re: KLWTD Filtration Upgrades Project

Clarifications of Project Information

- Due to Florida Law, proposals will not have a public opening on the due date to announce prices as previously discussed during the prebid meeting. Proposals will be collected, and a review committee will rank the proposals based on the system described in the RFP. A public bid ranking meeting will be held within 10 days of the proposal due date. Following the public meeting, official ranking results will be posted to Demandstar as a Notice of Intent to Award in accordance with KLWTD procurement policies.
- The public meeting for the bid rankings for the KLWTD Filtration Upgrades Project will be held virtually on April 14, 2023 at 11am. Below is the meeting information
