RE: Imposition of Wastewater System Impact Charge - AK# 9105451

Please be advised that the Key Largo Wastewater Treatment District's ("the District") Board of Commissioners ("the Board") will consider imposing a System Development Charge ("SDC") for the above-referenced parcel at its regularly scheduled meeting on July 21, 2026.

The SDC is the initial charge to each Tax Parcel assigned a parcel Alternate Key number by the Monroe County Property Appraisers Office and represents a portion of the Capital Costs for the construction of the District's Wastewater Management Facilities.

Reason for imposition of SDC: The District has been advised by the Monroe County Property Appraiser that the parent parcel, AK# 1599794, has been split to create a new tax parcel, AK# 9105451.

If the Board approves imposition of the SDC charge, the following changes will be made to your account:

EDU Assignment: Your parcel will be assigned one Equivalent Dwelling Unit ("EDU"). See attached for calculation.

System Development Charge (SDC): Equal to the sum of the capacity charge per EDU plus the connection charge to extend service to your parcel. See attached for calculation.

Monthly Base Charge: Upon development of the parcel, you will be required to pay a monthly base charge per EDU. The charge will be included in your monthly Florida Keys Aqueduct Authority ("FKAA") bill.

Payment may be made in person, online at <http://klwtd.com/check-my-assessment/>, or by mailing a check to the District administrative office located at 103355 Overseas Highway, Key Largo, FL 33037 (please include the Alternate Key # listed on the first page of this Notice).
